Hello! Did you know that almost all the images featured in the Al-Haramayn exhibition are in black and white? The picture below is a snapshot of the Medina train station, part of the Hejaz Railway built in the 20th century. Let's use our creativity and colour the image!

Scan the QR code and upload your coloured image to be featured on our Instagram and Twitter! You can also tag us on Instagram at @iamm.kl or Twitter at @IAMM_KL. We look forward to seeing your beautiful pictures!
